# **Hello!**

## **I'm Laura Jensen and I'm running for Kent School Board Position #5.**

As a former KSD paraeducator, I have experienced the best of our district—the students and dedicated school staff. I've also seen the challenges they faced to ensure every child gets the education they deserve.

We need a school board with student centered priorities, who can be respectful, transparent, and work collaboratively with staff, students, our community, and each other.

### **My top 3 policy priorities are:**

- Supporting special education and other marginalized students
- Ensuring staff who work in our schools get the support they need
- Rebuilding community trust through transparency and sound policy decisions
